

# Summer Camp

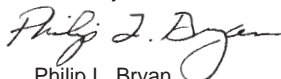

## Welcomel

We are enthusiastic about the variety and number of Camp offerings for 2005 and they are sure to keep your children active this summer! More importantly, our award winning Summer Camps provide a safe and fun environment, where campers can enjoy new activities and make new friends. We promise to maintain the highest standards in the areas of safety, staff recruitment, camper to staff ratios and activities that challenge our participants.

Camps '05 offer every Sport imaginable (Soccer, Baseball, Cheerleading, Basketball, Golf, In-line Skating, Skateboarding, Tennis, Swimming, Biking, and Gymnastics). We also offer camps in Art, Drama, Science and Nature and Extended Camp Care and Teen Adventures.

Be an early bird by registering online by February 22, 2005 through [rock/enroll](#) and be eligible for a random drawing of a full credit to your account for your most expensive camp.

Sincerely,

Philip L. Bryan  
Superintendent of Recreation

## EXTENDED CAMP CARE

### EARLY RISERS CAMP

This early morning program, for camp participants only, provides informal recreational activities before the start of the camp day. At 8:45 a.m., staff will escort campers from Beall Elementary School to Welsh Park where they will join their camp groups. A limited number of spaces are available. Parents are responsible for transporting their camper(s) to the program. Campers must be five years old by Sept. 30, 2005.

## BIOLOGIST BOOT CAMP

Discover, research and survey Maryland wildlife in this interactive, hands-on camp. From bluebirds to raptors and deer mice to coyotes, you'll learn how to study wildlife and see them in their habitats. This is a hands-on experience that will give you a bird's eye view into research, endangered species, conservation and the reasons behind decision making. Field trips, guest speakers and individual research projects will guide this exploration into the world of predators, prey, parasites and saprophytes. Note: Some camp hours will differ in order to study wildlife at the ideal time. **Available:** ❄️

## NATURE'S RESOURCES CAMP

We all need food, water and shelter to survive. Do you know where your water comes from before it comes out of the faucet? How much electricity do you use? This year we'll visit several 'green' facilities to see how to use fewer resources. See how the food we eat, the water we drink and the power we use originate. A special look at solar energy and buying recycled.
